

SRUSHTI RAJ TOWER

A PROJECT BY SRUSHTIRAJ GROUP
EXCLUSIVELY MARKETING BY SPACE ACRE GROUP

One of the best projects offered by Srushtiraj Enterprises Group in the area is nestled in the quiet, affluent community of Tilak Nagar, which is located in the heart of the city.

Residential spaces are offered by the project, which combines careful architecture with essential practicality and flawless execution.

ABOUT US:

Srushti Group of Companies is a high-density construction and rehabilitation company that builds residential towers, offices, commercial spaces, and retail establishments. We specialize in redeveloping old existing structures including slum pockets all over Mumbai.

Our current projects are well connected with the metros, monorails, and local trains in close vicinity. Our unique teamwork and total quality management allow us to meet even the toughest standards of perfection.
